About This Game

Isometric shooter about a mission called Wolf, in this game you start with your weapon and some ammo, kill enemies and do what is asked to achieve the goal in each act.

A storyteller will guide you through text and voice during the mission.

There are various types of weapons and different reactions from enemies to that weapons, There are also interactable objects throughout the map as well as a good AI of enemies

What to expect:

- Enemy IA and different types of enemies
- interactable objects
- Easy and clear interface
- Different types of weapons
- Health and ammo packs through the mission
- Experience and kill count

-
- Destructable environment
 - Player with standard movement
 - Weapon selector via mouse wheel

How to play:

- Mouse and mouse clicks to move and accept in menus
- WASD to move in gameplay
- Left click to shoot
- Mouse to aim in gameplay

Title: Mission: Wolf
Genre: Action, Casual, Indie, Simulation, Strategy
Developer:
Dexion Games
Publisher:
Dexion Games
Release Date: 4 Oct, 2017

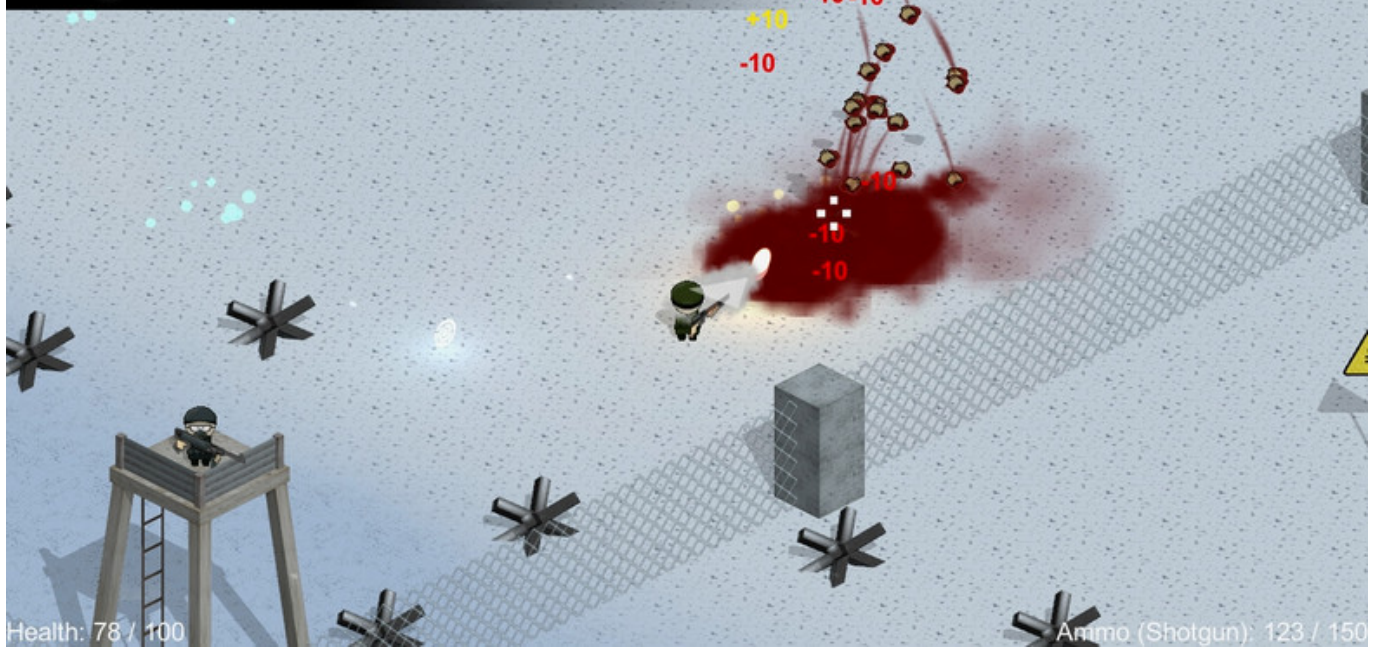

b4d347fde0

English

XP: 130

Kills: 4

Weapons with different Impact Effects

XP: 514

Kills: 15

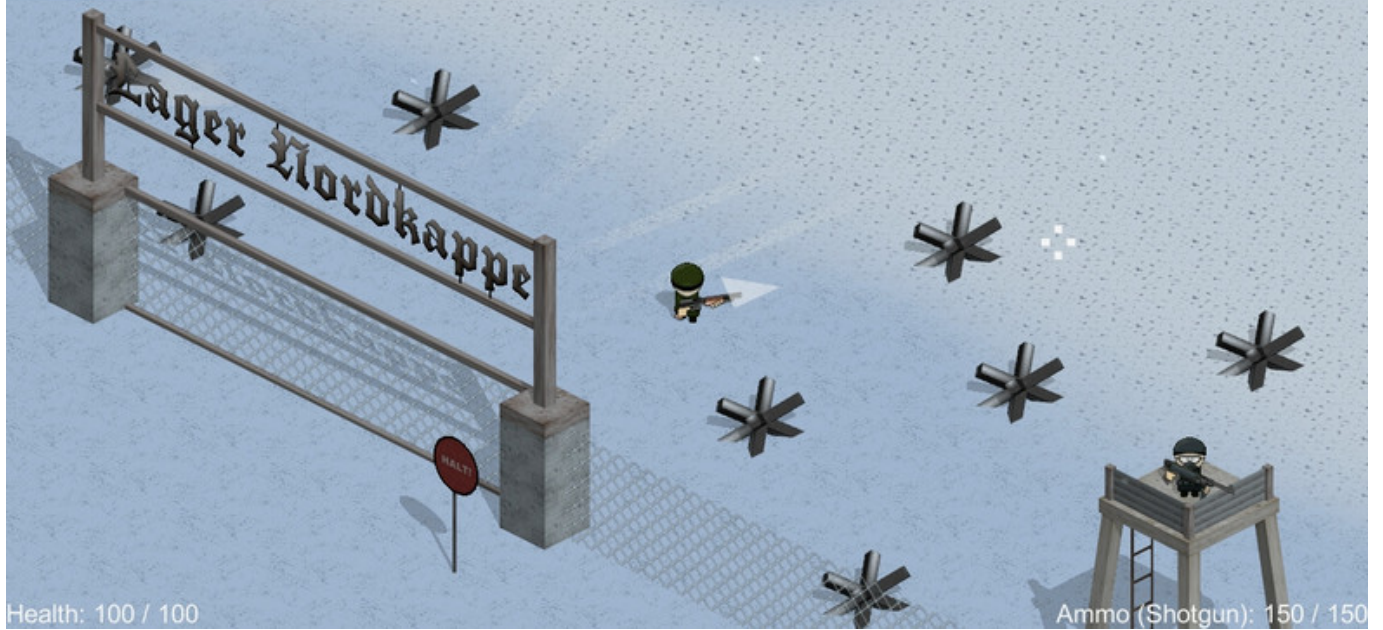

Gore and physical Explosions

XP: 0

Kills: 0

Many Player and Enemy Characters

Health: 100 / 100

Ammo (Shotgun): 150 / 150

Probably an asset flip.
It is just the one level.
No Music.
No point.
Just awful.
